

CHAPTER V

CONCLUSION AND SUGGESTION

This chapter discusses about the conclusion of the research, implication, and suggestion for the English teacher, the students, and other researchers who are interested in the same field research. The discussion of each section will be delivered as follows.

5.1 Conclusion

This research was implemented to the eight grade students of SMP Katolik Santa Familia Kupang in the school year of 2018/2019. The implementation during the research on the early june 2018. It started when the researcher had his teaching practice in that school. After the teaching practice has finished, he immediately decided to conduct a research in the school he observed. This program was successful to improve students' speaking ability for the eighth grade students of SMP Katolik Santa Familia Kupang in the school year 2018/2019. The research was carried out in successful in improving students' pronunciation, grammar, vocabulary.

Based on the study conducted by the writer as described in previous chapter, it can be concluded that:

1. The eighth grade students of SMP Katolik Santa Familia Kupang in the school year 2018/2019 are able to speak.

2. The level of speaking ability of the eighth grade students of SMP Katolik Santa Familia Kupang is intermediate.

5.2 Suggestion

Based on previous conclusions, there are some suggestions that might be helpful for the teacher and the student in the case teacher and learning English:

1. For the English Teacher

The teacher is suggested to train the students to speak English in front of the should encourage the students to speak right and to correct their grammar, vocabulary, pronunciation.

2. For the Students In order to improve their sub-skills (grammar, vocabulary, pronunciation) the students should frequently listen to English news, English song and English movies.
3. For the other Researcher This writing can be use for the other researcher who would like to continue the research as an additional reference.
