

## CHAPTER V

### CONCLUSION AND SUGGESTION

In this chapter the writer would like to discuss some conclusion and provide some suggestion based on the analysis and in this chapter the writer would like to answer the research question.

#### 5.1 Conclusion

In this part, the writer would like to answer the research questions were: 1. Is the tenth grade students of SMKN 2 Kupang in the school year 2018/2019 able to comprehend the reading text? 2. What are the comprehension levels of tenth grade students of SMKN 2 Kupang in the school year 2018/2019 in comprehend the reading text? 3. What are the difficulties encountered by tenth grade students of SMKN 2 Kupang in the school year 2018/2019 in comprehend reading text?

In this part the writer would like to answer the third question above as conclusion:

1. The tenth grade students of SMKN 2 Kupang in the school year 2018/2019 was not able to comprehend the reading text. Because, from the test was give by the researcher the ability level of the students in comprehend reading text was get bad score with average score 22.56%.
2. The comprehension levels of tenth grade students of SMKN 2 Kupang in the school year 2018/2019 in comprehending the reading text were Level I ( Literal ) and Level II (Interpretive).
3. The difficulties encountered by tenth grade students of SMKN 2 Kupang in the school year 2018/2019, in comprehending are among others. First, vocabulary of students is weak. The second is, the students have a bad structre of sentences, so that they could not

answered the test correctly. For example almost of students could not answer the test of number 10 and 23.

## **5.2 Suggestion**

Based on the result of the research, the writer gave some followed suggestion for English teacher, students, and the writer.

### **1. For English teacher**

The teacher should give more practice or test for his students about reading, so the students can improve their ability in comprehending and comprehension levels in reading.

### **2. For students**

Based on the result of this research, students ability is bad in comprehending reading text. The students, should do more practice and exercise about reading text in classroom or at home. So, their level ability on reading comprehension can be better.
