

CHAPTER V

CONCLUSIONS AND SUGGESTIONS

In this chapter, the writer presents the conclusions and suggestions of the study. The conclusion is done based on the data analysis in chapter IV, which is in line with the problem statement. The suggestion is done based on the conclusion, which is achieved from the result of the analysis and discussion. The conclusion and suggestion in details are presented below.

5.1 Conclusions

Based on result of data analysis, the writer comes to the conclusion as presented below.

1. The eighth grade students of SMP Negeri 1 Kupang in the School Year 2018/2019 are not able to comprehend the narrative text they read.
2. The result of the study shows that the students level of ability in reading comprehension of narrative text in form of multiple choice test is below average with the total score (4.608) as the grade.

5.2 Suggestions

Based on the conclusion, the writer would like to give some suggestions as shown below.

1. For the English Teacher of SMP Negeri 1 Kupang

The English teacher at SMP Negeri 1 Kupang should give more explanation and exercises in form multiple choice tests.

2. For the students of SMP Negeri 1 Kupang

The students keep studying by reading various types of English read in order to enrich their comprehending of the text. And should pay more attention and do more exercises about narrative text. The practice can be done in the classroom or at home by doing homework so their level of ability can be better.
