

BAB V

CONCLUSION AND SUGGESTION

In this chapter the writer would like to provide some conclusion and suggestion based on the result of the data analysis.

5.1 Conclusion

After analyzing the data in chapter IV, the writer comes to the conclusion of this study. The conclusion are the answer of the statement of the problem stated in chapter 1. Based that, in this chapter the writer also would like to give some suggestions which is based on the conclusion that are gained from the result of analysis and discussion. The conclusion and suggestion in detail are presented below.

1. The eight grade students of SMP Negeri 10 Kupang in the school year 2019/2020 are able to understand the text they have read.
2. The ability level of the eight grade students in comprehending the text they have read is **fairly good** which is determined by the result of the students of 72.3%.

5.2 Suggestion.

Based on the finding above, the writer would like to give some suggestions that might be useful for the writer, English teacher and also for the students at the researched school:

1. For the writer

For the writer should pay attention to the material that will be write and study hard about English grammar, acquire many vocabularies and try to get a good way of how to solve their problem in comprehending reading text.

2. For teacher of English

English teacher at the researched school should pay attention to the students' knowledge about reading by doing more reading practice and exercises.

3. For students

The students must study, so they can have attention to learn English, and they can try to do exercise in English reading text.
