

## **CHAPTER V**

### **CONCLUSION AND SUGGESTIONS**

This chapter presents the conclusion and the suggestion of the study. The conclusion goes in line with the problem statement and the objectives of the study having been stated in Chapter I, the theory having been decided in Chapter II, methods and techniques of the data analysis having been applied in Chapter III, and the result of the data analysis having been found in Chapter IV. Suggestion is proposed based on the significance of the study having been stated in Chapter I, the result of the data analysis, and the conclusion presented in the present chapter.

#### **5.1 Conclusion**

Based on the result of the data analysis, the writer presents the conclusions as presented below.

1. The second semester students of English Education Study Program of Widya Mandira Catholic University Kupang in the academic year 2022/2023 are able to use the present perfect tense.
2. Based on the standard of measurement used in this study, the level of ability of the second semester students of English Education Study Program of Widya Mandira Catholic University Kupang in the academic year 2022/2023 is **“above average”**.

## 5.2 Suggestion

Based on the conclusions of the study and the result of the data analysis above, the writer would like to suggest many persons, both as a personal or institution in accordance with their role and their responsibility.

### 1. For English Teachers/ Lecturer

In order to improve the student's ability in using present perfect tense, the English teacher or lecturer should help them to master on grammar give more explanations about tense, especially about present perfect tense give more exercises in form of multiple choices that can help them to understand and use about present perfect tense.

### 2. For second semester students of English Education Study Program of Widya Mandira Catholic University Kupang in academic year 2022/2023.

Based on the result of the study, they can be motivated to study more English, especially in learning tense. They can try to do more exercises in using present perfect tense that can help them to know more about present perfect tense.

### 3. For The researcher candidates

The writer also suggests that the next researcher can do the research of study ability tenses in other object.
