# CHAPTER V

# CONCLUSION AND SUGGESTION

In this chapter, the writer presents the conclusion and the suggestion of the research as follow:

## a. Conclusion

Based on the finding, the writer can conclude 2 points as follow:

1. The strategies that usually used by the teacher in SMP Negeri 10 Kupang are Reciprocal Reading and Question-Answer Relationship (QARs)

2. The students' responses toward the strategies used by the teacher are that it is easier to understand the material quickly, the students can convey their opinions, can motivate the students to learn more about English, and these two strategies also make the students more interested to learn English.

## b. Suggestion

From the findings presented earlier in the chapter four, there are some suggestions that can be taken as a consideration for English teacher towards the use of strategies in teaching English:

1. The teacher is expected to apply more strategies in teaching reading comprehension.

2. The teacher must always control the students in the group, so that they can really work together and change the think with their members group.
