

CHAPTER V

CONCLUSION AND SUGGESTION

5.1 Conclusion

Based on the findings as discussed and described in the previous chapters, the writer would like to conclude some conclusions. The conclusion is based on the problem statement, objective, and the data analysis. There are several conjugations of subject–verb agreement and the time markers of Solor dialect (SD) of Lamaholot Language (LL) spoken in Kalike village.

5.1.1 The Forms of the Conjugation of Subject–Verb Agreement of Lamaholot Language of Solor dialect Spoken in Kalike Village

After analyzing the data taken from the verbs *eat*, *go*, and *sell* in sentence of SD of LL spoken in Kalike village, it can be concluded that there is conjugation of subject–verb agreement of SD of LL spoken in Kalike village. There are two kinds of conjugation of subject-verb agreement of SD of LL spoken in Kalike village.

1. The conjugation of subject-verb agreement occurs in different form and sound of verbs of all kinds of personal pronouns as the subject in the sentence. The example of this conjugation of subject-verb agreement is shown in verb *eat* representing other verb in SD of LL spoken in Kalike village.
2. The conjugation of subject-verb agreement occurs in the same form and sound of verbs of all kinds of personal pronouns as the subject in the sentence. The example of this conjugation of subject-verb agreement is

shown in Verb *sell* representing other verbs in SD of LL spoken in Kalike village.

1.1.2 The Time Markers Existing in LL of Solor dialect spoken in Kalike village.

There are some time markers used in SD of LL spoken in Kalike village. Those time markers include *mete-uli/mor* 'still', *mete* 'while', and *kae* 'already.' The time markers are shown in certain lexicons with their own lexical meanings. The syntactic positions of those time markers are various. They are placed after the subject and after the goal.

5.2 Sugesstion

In line with the significance of the study and the result of the data analysis a number of suggestions would be offered to the following sides:

1. The experts of linguistics and other related subjects should do continued study or similar study to confirm and extend the linguistic evidence in forms of conjugation of subject–verb agreement of Lamaholot Language spoken in other parts of region.
2. Other researchers are suggested to do the study on other types of Solor Dialect of Lamaholot Language of the Conjugation of subject-verb agreement in aspect, mood, diathesis, negative sentence and question sentence.
3. Other researchers are suggested to do the study on other types of Solor Dialect of Lamaholot Language in other parts of linguistic such as: Phonology, Semantic, Syntax, etc.

4. The speakers of Solor Dialect of Lamaholot Language are suggested to attempt and to feel proud having and speaking the language in proper situation, living side by side with the national language Bahasa Indonesia and foreign languages such as English and any other foreign language.
