

## CHAPTER V

### CONCLUSION AND SUGGESTION

Referring to the result of the analysis and discussion as presented in chapter four, the writer would like to draw some conclusions and offer suggestion.

#### **5.1 Conclusion**

The following are some conclusions that can be noted based on the result of the analysis.

1. The eighth grade students of SMPK St. Yoseph Kupang in the school year 2017/2018 were able to write descriptive text by using video grammatically, as it is shown from the result of the analysis and discussion. All the subjects (18 respondents) passed the test.
2. The result of the study showed that in general the students level of ability in writing descriptive text was classified as “Above Average”, according to the standard of measurement.
3. There were some students some students committed errors on grammatical aspects such as tenses, word order, the use of article, and pronoun. There were also some errors on vocabulary and on mechanics aspect such as, capital letter, comma, spelling.

## 5.2 Suggestion

Based on the conclusion above, the writer would like to recommends the following;

1. The English teacher should be pay speciall attention on the grammatical aspects such as the use of article, pronoun, word order and tenses because some errors commited by the students on these aspects.
2. The English teacher should encourage the students to having sufficient stock of English vocabulary. Some students still faced difficulties on mechanics aspects. That is why remedial teaching is necessary in order to make students understand better about the form of descriptive text especially used the media in teaching.
3. The students should be pay special attention on the grammatical aspects such as the use of article, pronoun, word order and tenses because some errors commited by the students on these aspects. Especially, simple present tense, stock of vocabulary and also mechanics. Using watch the video as media the students be able in writing descriptive text.
