

CHAPTER V

CONCLUSIONS AND SUGGESTIONS

In this chapter, the writer presents some conclusions and suggestions based on the data analysis and the data discussions.

5.1. Conclusions.

1. Based on the data analysis in chapter IV , the writer would like to say that the students of the tenth grade of SMA Negeri 5 Kupang are able to write descriptive text by using picture.
2. The level of students ability is classified is ‘‘Above Average’’ (10. 8).

There are some errors committed by the students in grammar and vocabulary as has been described in chapter IV dealing with mechanics, in general students applied the generic structure of descriptive text namely object identification and clarification. Besides almost all of them use simple present tense.

5.2. Suggestions

Based on the writing result analysis, the writer gives some suggestions as follows :

1. The students of SMA Negeri 5 Kupang need to enrich themselves by mastering English vocabulary more in order to write a descriptive text.
2. Grammatical rule is another important thing they have to master. The students need to know the grammatical rules in writing descriptive text.
