

CHAPTER V

CONCLUSION AND SUGGESTION

In this chapter the writer presents the conclusions and suggestions of the study. The conclusion is based on the result of the data analysis and discussion on chapter IV, which go in line with the problem statement. The suggestion is done based on the conclusion, which is gained from the result of the analysis and discussion. The conclusion and suggestion in detail are presented below.

5.1 Conclusion

Based on the result of data analysis, the writer given some conclusions as presented in the following.

1) The eighth grade students of SMP Negeri 13 Kupang in the school year 2015/2016 are able to used the degrees of comparison of adjective. 2) The level of ability of the eighth grade students of SMP Negeri 13 Kupang in using degrees of comparison is *fairly good* (6.9). 3) The difficulties faced by students in using degrees of comparison of adjective.

5.2 Suggestion

Based on the findings, the writer would like to give some suggestions that might be useful for the English teacher teaching at the researched school and for the students. The suggestions in detail are presented below.

1. For the English Teacher

The teacher of English should give motivation to the students, more explanation in teaching grammar especially how to use degrees of comparison.

2. For the Students

The students should study and do a lot of practice on English grammar especially the degrees of comparison.
