

CHAPTER V

CONCLUSION AND SUGGESTION

In this chapter, the writer would like to present the conclusion based on the result of this study and provide some suggestions.

5.1 Conclusion

The result of the data analysis, indicates that the eighth grade students of SMPK St. Theresia kupang are not very able to understand the text that they read, and their levels of ability are as follows: 7 students (25%) who got below average level, ranging from 6.6 – 7.5. 2 students (7%) who got very poor level, ranging from 2.6 – 3.5 and 1 student (4%) who got bad level, ranging from 1.6 – 2.5. The ability level of the whole students are average (56%). The difficulties faced by the students in comprehending the reading text is the limitation of vocabulary.

5.2 Suggestion

Based on the conclusion, the writer would like to give some suggestions below:

1. The English teachers at SMPK St. Theresia Kupang are advised to teach well the Reading subject to the students and teach them how to read word by word so that the students can read well and understand every meaning of words that they have read.

2. The English teachers at SMPK St. Theresia Kupang are advised to give more tasks and exercise to the students regarding reading comprehension.
3. The English teachers at SMPK St. Theresia Kupang should check the mastery on the vocabulary that is used in the reading text.
