

CHAPTER V

CONCLUSION AND SUGGESTION

5.1 Conclusion

In this study the writer found that students in the masyarakat di desa used politeness strategy from Brown and Levinson based on the circumstances in their different daily lives and their individual characteristics. The writer also found that the masyarakat di Desa Kletek use all of the strategy in mengungkapkan penolakan by Brown and Levinson theory namely Negative politeness, Positive politeness, Bald on Record and Off Record and the most dominant politeness strategy that used by masyarakat Desa Kletek is a Positive Politeness strategy.

5.2 Suggestion

The suggestions are as follows:

- For society,
it should be used as motivation to communicate in a polite and correct language.

- For the next writers

They should be able to increase their knowledge and experience in good and correct communication and apply the knowledge gained in college to real problems faced in the world of education and become provisions for the future.
