

CHAPTER V

CONCLUSION AND SUGGESTION

This chapter presents the conclusion of all activities used Classroom Action Research in teaching and learning process of both Cycle I and Cycle II. The suggestions are recommended to the teachers, students of English Department, lectures and those who are attracted to know about Classroom Action Research.

5.1 Conclusion

Based on the results of the research and the discussion on the previous chapter, the writer comes to a final conclusion that is formulated as follows:

1. The use of pictures as teaching media is effective in teaching vocabulary for the tenth grade students of SMAN 5 Kupang in the school year 2014/2015
2. The students' vocabulary level after being taught using pictures is excellent where all of the students who participated in this study were passed the test and the students' score average increased from 62,25% in cycle 1 to 94,25% in cycle II.

5.2 Suggestion

Based on the result, the writer would like to offer some suggestions for the benefit of teaching and learning process. They are as follows:

1. The teachers of English especially the English teachers of SMAN 5 Kupang are suggested to use pictures as media in teaching and learning process to stimulate students' positive participation.
2. The students of English Department who really want to be professional teachers are recommended to use CAR so that they can reflect the weaknesses in teaching and learning process before, then they can prepare new strategy to improve the weaknesses in the next meeting.
