The suggestion is done based on the conclusion, which is gained from the result of the analysis and discussion. The conclusion and suggestion in detail are presented below:

5.1 Conclusion

Based on the result of the data analysis, the writer would like to draw some of conclusions as presented below:

1. The eleventh grade students of SMA Swasta Terakreditasi PGRI Kupang in the school year 2015/2016 are able to construct the sentences in simple presentform.
2. The abilitylevel of the eleventh grade students of SMA Swasta Terakreditasi PGRI Kupang in the school year 2015/2016 in constructing simple present tense is **7.5**. It is classified as **Fairly Good**.

5.2 Suggestion

Based on the result above, the writer has found the weakness of the students in constructing the simple present tense especially answering the questions of essay

test. Here the writer would like to give some suggestions to the following persons below:

1. For the English teacher.

- a. The teacher should teach and give more explanation to the students how to use simple present tense especially the form of negative sentences and interrogative sentences, because most of students still find the difficulties in changing the sentences into negative and interrogative.
- b. The teacher should teach and give a lot of exercises to the students about how to differentiate the use of regular verb and irregular verbs order to motivate them in learning vocabulary, because some students still made mistake when they complete the sentences in using irregular verbs and regular verbs.
- c. Further, for the students who had below average and poor ability, the writer suggests the teachers to pay more attention to them in comprehending simple present tense in particular and learning English in general.

2. For the Students.

- a. The students should do more exercise and learn about the regular verbs and irregular verbs, auxiliary verbs or helping verb especially in constructing the sentences which in affirmative, negative and interrogative sentences in simple present tense.
- b. The students should also differentiate the use of regular verbs and irregular verbs. They should master grammar and vocabulary that can help them in constructing the sentences.
