

CHAPTER V

CONCLUSION AND SUGGESTION

In this chapter the writer would like to discuss some conclusions and provide some suggestion based on the analysis.

5.1 Conclusions

Based on the study conducted by the writer as described in previous chapter, it can be concluded that:

1. The tenth grade students of SMA Swasta Terakreditasi PGRI Kupang are able to speak English especially in retelling a story with good pronunciation, average grammatical structure and good vocabulary.
2. The level of speaking ability of the tenth grade students of SMA terakreditasi PGRI Kupang is advance (11,9).
3. The areas of difficulties faced by the tenth grade students of SMA terakreditasi PGRI Kupang in speaking are incorrect use of simple past tense, incorrect choice of English words in several sentences, and incorrect pronunciation of some English words.

5.2 Suggestion

Based on the result of the study and the conclusions discuss above, some suggestion can be given:

1. The English Teacher
 - It is advisable to train the students to speak English Frequently and everyday and motivate the students to read English books in order to increase their language skills especially speaking skill.

- The English teacher should encourage the students to speak right and to correct their grammar, vocabulary and pronunciation.

2. The tenth Year Students

- In order to improve their sub-skills (grammar, vocabulary and pronunciation) the students should frequently listen to English news, English song and English Movies.
- They are also advised to enrich themselves with more vocabularies like reading English books, news papers, magazines, articles and attend English symposiums.
